

**Department Colloquia for Research and Teaching
at Adam Mickiewicz University
(Faculty of Modern Languages and Literatures)**

are honoured to invite you

to the 2nd International Conference

Challenges in the process of foreign language teaching

13th December 2024

(hybrid)

The Conference is aimed at analyzing challenges encountered in the process of foreign language teaching at all levels in four basic areas, such as speaking, listening, reading, and writing. The Conference is also bound to give a platform to exchange ideas as well as share and discuss solutions which may prove successful in the process of foreign language teaching in all areas.

Participants are invited to deliver presentations of 15 minutes.

All participants will be granted a certificate of participation in the International Conference.

Conference languages: **English, Polish, Russian**

The list of topics includes but is not limited to:

- speaking – challenges, problems, solutions
- listening – challenges, problems, solutions
- reading – challenges, problems, solutions
- writing – challenges, problems, solutions
- innovative methods of foreign language teaching
- foreign language teaching through multimedia
 - artificial intelligence in teaching
 - online teaching materials

Please send the application form with an abstract (up to 100 words) by **October 20, 2024**.
